

Don't forget about Christ on His "birthday" ..

Music & Words John Nixon

Don't forget about Christ on His "birthday"!
Don't let someone else take His place!
Let's remember that God is "the Giver";
And Christ is "the Gift" of His grace!

You must trust the true message of Christmas!
Christ brought peace with God for the earth.
Angels proclaimed God's Son as the Saviour,
As they announced His virgin birth.

Many want to have Christmas without Christ!
Some even put "X" for His name!
Yet and "X" as a "cross" can remind us,
Christ died for our sins in great shame.

Christ arose and He went back to Heaven
To prepare a wonderful place.
Only those who will trust Him as Saviour
Go there; all because of God's grace!

So to celebrate Christ as we ought to;
Accept the free gift of His grace,
Trust in Jesus alone for forgiveness,
And let no one else take His place.
